Project Title: The Princess Bride (film)

I intend for this project to be a multi-page website about the film, The Princess Bride. Each page will focus on a certain aspect of the film such as the plot, characters, production, awards, etc.

- **Homepage/Introduction:** general introduction to the film, very short summary, navigation to other pages will be images pertaining to the movie along with a navigation bar at the top
- **Adaptation from book/development**
- **Plot**
- **Cast/characters**
- **Production**
- **Reception/awards**
- **Sources:** [https://en.wikipedia.org/wiki/The_Princess_Bride_\(film\)](https://en.wikipedia.org/wiki/The_Princess_Bride_(film))
